FOR IMMEDIATE RELEASE**Regupol America and Partner Companies Join the Shane Victorino Foundation in Nicetown Boys & Girls Club Renovation**

Lebanon, PA – The kids at the Nicetown Boys & Girls Club will soon enjoy a completely renovated facility, thanks to the efforts of the Shane Victorino Foundation and community partners including Regupol America, Robbins Flooring, Abacus Sports Installations, Ltd., and several others.

The Shane Victorino Foundation (SVF) is dedicated to promoting opportunities for underserved youth in Philadelphia and Hawaii, engaging in projects that provide children with educational, recreational and wellness programs. The renovation of the Nicetown Boys & Girls Club is the organization's major endeavor in Philadelphia. The nonprofit pledged nearly \$1 million to renovate the 105-year building. The club recently celebrated a grand reopening ceremony on September 22, 2011.

"The renovation of the Nicetown Boys & Girls Club is a very special initiative for me and my wife, Melissa," said Shane Victorino, co-founder of the Shane Victorino Foundation & center fielder for the Phillies. "Not only have we recognized the need that exists to help children in this community, but we are proud to have partners like Regupol America, and others, join our effort to provide them with a safe, positive place to gather after school."

Regupol, the inventor of recycled rubber flooring for sports and athletic surfaces, teamed with partner companies to supply a full system flooring solution for the new facility. "We've been supporting the Boys & Girls Club for years and the fact that this facility was in a nearby Pennsylvania town left no question. We were happy to give them whatever they needed," said John Aten, vice present of sales and marketing.

Regupol agreed to donate more than 9,100 square feet of Regupol Aktiv™ recycled rubber sports flooring for the facility and 2300 sq/ft of Regupol Shock Padding for the cushioning under the gym floor, a total value of more than \$34,000.

Robbins Sports Surfaces of Cincinnati, OH (www.robbinsfloor.com) generously donated the gymnasium floor, a value of \$28,000, while Abacus Sports Installations, Ltd., Lancaster, PA (www.abacusports.com) agreed to donate the installation of both the Regupol and Robbins products, a \$25,000 value. Sika Corporation donated the adhesive for the installation while Schutz NA provided the finish for the the Regupol Aktiv flooring.

In response, Al Mollica, Chief Development Officer for Boys & Girls Clubs of Philadelphia stated that the organization's "staff, volunteers and members are grateful to the Regupol Corporation and their subcontractors for their extraordinary donation of flooring throughout our newly renovated Shane Victorino Nicetown Boys & Girls Club. Every day for many years to come our members and visitors from throughout the community will take full advantage of the durability and functionality of the flooring in our Victorino Nicetown Club. Thank you for your community-minded corporate philosophy and for a generous expression of support that will benefit thousands of Philadelphia children for years to come."

"We are committed to providing opportunities for underserved youth and through this project, we will give the children of Nicetown access to much-needed resources and a state-of-the-art facility," added Kari Uyehara, Shane Victorino Foundation executive director. "We are extremely grateful for the support we have received from Regupol America as well as other community members. Together, we are making a difference in the lives of countless children."

About the Shane Victorino Foundation

Shane and Melissa Victorino founded the Shane Victorino Foundation (SVF) in 2010. The nonprofit is dedicated to promoting opportunities for underserved youth in Philadelphia and Hawaii as it engages in projects which provide children with educational, recreational and wellness programs. The organization's major endeavor in Philadelphia is the renovation of the Nicetown Boys & Girls Club, in which the nonprofit pledged nearly \$1 million to renovate the 105-year building which celebrated its grand reopening on September 22, 2011. Additionally, the SVF sponsors the *Flyin' Hawaiian All-Stars* charity ticket program which provides children's groups with game tickets, t-shirts and concessions at a Phillies' home game. In the off-season, the Foundation hosts a number of events, including a holiday toy drive. In Shane's native Hawaii, the Foundation has raised more than a half-of-a-million dollars for various charities, including the Hawaii Children's Cancer Foundation, Boys & Girls Clubs of Maui and others.

About Regupol America

Regupol America LLC, American subsidiary of German-based, BSW (Berleburger Schaumstoffwerk GmbH), is a third generation company founded in 1954. Headquartered in Lebanon, PA, the inventor of recycled rubber flooring manufactures multi-purpose surfaces, underlayment and sound absorption which can be used in a variety of applications. Regupol also offers state-of-the-art track & field surfaces that provide superior traction, uniformity and comfort – and meet DIN standard and IAAF guidelines. With more than 50 years experience, the group employs over 360 employees. The company uses over 115 million pounds of recycled rubber in the manufacturing process. More than 110 million square feet of product is sold each year, with distribution in over 100 countries. Made of 100% post-consumer tire rubber, post-industrial EPDM rubber and additional renewable resources, Regupol America uses the finest raw materials and state of the art manufacturing. The portfolio of products withstands the most intense use, ensuring outstanding performance. Usain Bolt, the fastest man in the world has lent his endorsement of Regupol™ tracks due to his accomplishments at the 2009 Berlin World Championships. For more information about recycled rubber flooring, tracks, turf underlayment, and sound absorption, visit www.regupol.com.
